**Please measure in inches only**

**(please do not measure in cm and convert, as this will be inaccurate)**

\* This measurement is needed for these garments as the waist seam will sit high on the 'Empire line'.

\*\* Please measure at the **fullest** part of the waist (typically across the bellybutton).

\*\*\* 'Drop' measurement, from under-the-bust line to floor (gives us ideal dress length).

\*\*\*\* Some dresses have a narrow sleeve opening, so we need to check arm circumference.

**We do not judge what size our clients are: we simply want to ensure the best fit.  
Please be accurate and honest with all measurements.**
