Please measure in inches only

(do not measure in cm and convert, as this will be inaccurate)

* Please measure at the **fullest** part of the waist (typically across the bellybutton).

** Inseam to ankle bone only (where the seam starts on a good fitting pair of trousers to the ankle bone). This may well be shorter than your high street trousers – this is normal.

**We do not care what size our clients are; we simply want to ensure the best fit.
 Please be accurate and honest with all measurements.**
