* For gent's suiting, we have a range of tailored frock suits in assorted colours (green, grey, black, navy etc) that can be dressed / accessorised as Wild West era gunslingers.

We haven't shown them all here as they are a variation on a similar theme, and colour/s available are dependent on the sizes required. We'll confirm with you at your fitting.

Likewise with the corset-style saloon girls – please see our Showgirls catalogue for additional colours.
